

INSTANT SPACE

Static Welfare Units

Static Welfare Units

24ft & 26ft Static Units

The new Static and Mobile Welfare Units from **CW INSTANT SPACE** meet all of the HSE requirements, providing all your on-site needs in one compact, cost-effective package.

HSE Directive

- Flushing toilets should be connected to mains water and drainage where possible. If mains services are not available, facilities with a built in water supply and drainage tank are adequate.
- Portable chemical toilets should be a last resort.
- Hot and Cold running water.
- Area to dry clothes and heat up food.

Static Welfare from Charles Wilson

- ✓ 1000 litres of running water connected to a large waste tank, which is emptied as required.
- ✓ There are no chemical toilets in our Static Welfare Units. All units are water flushable toilets.
- ✓ Hot running water - no electric sink water heaters used.
- ✓ Canteen sits up to 8 people.
