WEATHERPROOF

VOLTAGE OUTPUT : 110 V
RATED OUTPUT POWER : 3.6 KW
PEAK POWER OUTPUT : 18 KW (80A)
RATED ENERGY CAPACITY : 2.1 KWH
WEIGHT : 21 KG

WHY HIRE THE INSTAGRID GO?

- UNMATCHED POWER & VERSATILITY :** Delivers 3,600 W rated power (18,000 W peak), equivalent to 110 V (2 x 16 A) construction site power, letting you run any demanding AC electrical equipment indoors or outdoors in all weather conditions (IP 54).
- ENHANCED SAFETY & PORTABILITY :** Weighing only 21 kg, it can be carried with one hand, helping you minimise trailing cables and reduce trip hazards on site.
- SILENT & SUSTAINABLE OPERATION :** Enjoy silent, uninterrupted power with zero local emissions, creating a cleaner, quieter work environment than traditional generators.
- RAPID RECHARGING :** Get back to work quickly with fast recharging from a standard 240 V supply in under 3 hours.

APPLICATION USE

DISC CUTTER

38 CUTS ON
CAST IRON PIPE
Ø 110 mm

BREAKER

~7.5 T OF 150 MM
CONCRETE SLABS
DEMOLISHED

CORE DRILL

32 HOLES IN
CONCRETE Ø 150 mm
150 mm DEEP

CONCRETE MIXER

~11.5 T OF CONCRETE
180 L DRUM

ARC WELDER

UP TO 89 ELECTRODES
Ø 2.5 mm
